

TECHNICAL DATA SHEET

CHARACTERISTICS AND APPLICATIONS

NEUTRALIZES BAD EVERYDAY ODORS AND EXTENDS THE FRESHNESS OF THE PERFUME IN THE ENVIRONMENT. The Unipega Spray Freshener is a practical and effective way to improve the quality of the environment by quickly perfuming the air. With an easy-to-apply format, it is used in both residential and commercial environments to create a pleasant atmosphere free of unwanted odors, being ideal for quickly perfuming environments such as living rooms, bathrooms, kitchens and bedrooms.

INSTRUCTIONS FOR USE AND HANDLING

HOW TO USE: The Unipega Spray Odorizer is easy to use, just press the valve to release the fragrance into the air, without the need for complex installations or devices.

ADVANTAGES

- Practical and easy to use
- Application in the form of mist
- Variety of fragrances
- Effective in eliminating odors

FRAGRANCES

- Lavender
- Floral
- Lemongrass
- Home
- Bamboo

LIMITATIONS

Excessive fragrance can be unpleasant: If used in excess, the Unipega Spray Odorizer can become too strong and even cause discomfort, especially in people who are sensitive to strong odors.

STORAGE

The product must be kept in its original packaging and stored in a cool place at a temperature of 5 to 30°C, away from direct sunlight and heat sources, with the packaging always facing upwards. Do not expose to sunlight or temperatures above 50°C. Avoid keeping the product inside vehicles. Keep out of reach of children and pets. Shelf life (from date of manufacture): 24 months.

LIMITED WARRANTY INFORMATION

The information contained in this Technical Data Sheet is based on our knowledge and experience up to the present date. Due to our product being able to be used in a wide range of applications and under different working conditions, we recommend that the customer conducts their own tests to approve the product for safety and intended use. We cannot assume responsibility for the results obtained by others whose methods are beyond our control. Therefore, it is the sole responsibility of the user to determine the suitability of the product for the desired purpose and to adopt any precautions that may be advisable to protect property and individuals against any hazards that may be involved in its handling and application. Our warranty applies within the context of legal regulations and provisions, professional standards in force, and in accordance with the determinations established in our general sales conditions. The detailed information in this document is provided for indicative purposes only. The same applies to any information provided verbally, by telephone, or in writing to any potential or existing customer. **For safety, handling, storage, and disposal information, please consult the respective Material Safety Data Sheet (MSDS).**
