

TECHNICAL SHEET

FEATURES AND APPLICATIONS

INSTANT ADHESIVE FOR EXTRA STRONG AND SECURE BONDING, WITH QUICK DRYING. Bond 007 Seconds is an instant adhesive based on multi-bonded cyanoacrylate, as it perfectly and instantly glues most porous and non-porous materials, such as: rubbers, metals, plastics, porcelain, wood, canvas, leather and more a multitude of substrates. With fast and strong adhesion, it is easy to apply and has an excellent finish (due to its transparency and instant adhesion).

INSTRUCTIONS FOR USE AND HANDLING

HOW TO USE: Open the cap with the bottle facing up. Remove impurities from the parts to be bonded with alcohol. Apply a small amount of Bond 007 Seconds to one of the parts and put them together firmly until they adhere (the excess adhesive delays the adhesion). After use, clean the nozzle and close the bottle.

BENEFITS

- Strong and safe bonding
- Instant dry
- High adhesion to many materials
- Easy to apply
- Excellent finish

LIMITATIONS

It is not recommended for use in materials based on polypropylene, polyethylene and silicone.

STORAGE

The product must be kept in its original packaging and stored in a cool place at a temperature of 5 to 25°C, away from direct sunlight and away from heat sources. Keep out of reach of children and pets. Validity (from date of manufacture): 18 months.

LIMITED WARRANTY INFORMATION

The information contained in this Technical Data Sheet is based on our knowledge and experience up to the present date. Due to our product being able to be used in a wide range of applications and under different working conditions, we recommend that the customer conducts their own tests to approve the product for safety and intended use. We cannot assume responsibility for the results obtained by others whose methods are beyond our control. Therefore, it is the sole responsibility of the user to determine the suitability of the product for the desired purpose and to adopt any precautions that may be advisable to protect property and individuals against any hazards that may be involved in its handling and application. Our warranty applies within the context of legal regulations and provisions, professional standards in force, and in accordance with the determinations established in our general sales conditions. The detailed information in this document is provided for indicative purposes only. The same applies to any information provided verbally, by telephone, or in writing to any potential or existing customer. For safety, handling, storage, and disposal information, please consult the respective Material Safety Data Sheet (MSDS).
