

TECHNICAL DATA SHEET

CHARACTERISTICS AND APPLICATIONS

IDEAL FOR CRAFTS AND OTHER APPLICATIONS. PVA adhesive ideal for joining materials that require long-lasting bonding and a perfect finish. Water-based, non-toxic product with a mild odor and easy to apply. It is recommended for bonding paper, cardboard and porous surfaces in general.

INSTRUCTIONS FOR USE AND HANDLING

HOW TO USE: The surfaces to be bonded must be clean, flat and dry. Apply the adhesive evenly. Join the parts immediately, keeping them under pressure for two to three minutes in order to increase the bonding efficiency.

BENEFITS

- Ready to use
- Water-based technology, solvent-free
- Non-toxic product
- Easy to handle and clean
- Mild odor
- High bonding strength
- Excellent viscosity

PROPERTY

UNIT TEST RESULT	UNIT TEST RESULT	UNIT TEST RESULT
Product Appearance	Visual	White Liquid
Film Appearance	Visual	Translucent
Viscosity	cP	2.000 a 5.000
ph (25°C)	-	4 a 6
Density	g/cm³	1,03 a 1,06
Solid content	%	12,5 a 15,5

STORAGE

The product must be kept in its original packaging and stored in a cool place at a temperature of 5 to 30°C, protected from direct sunlight and away from heat sources. To avoid contamination of unused product, do not return any leftover material in its original packaging. Keep the packaging closed to prevent skin formation. Shelf life (from date of manufacture): 13 months..

LIMITED WARRANTY INFORMATION

The information contained in this Technical Data Sheet is based on our knowledge and experience up to the present date. Due to our product being able to be used in a wide range of applications and under different working conditions, we recommend that the customer conducts their own tests to approve the product for safety and intended use. We cannot assume responsibility for the results obtained by others whose methods are beyond our control. Therefore, it is the sole responsibility of the user to determine the suitability of the product for the desired purpose and to adopt any precautions that may be advisable to protect property and individuals against any hazards that may be involved in its handling and application. Our warranty applies within the context of legal regulations and provisions, professional standards in force, and in accordance with the determinations established in our general sales conditions. The detailed information in this document is provided for indicative purposes only. The same applies to any information provided verbally, by telephone, or in writing to any potential or existing customer. **For safety, handling, storage, and disposal information, please consult the respective Material Safety Data Sheet (MSDS).**
